### Windham My Home

It is a peaceful place to live. Every Third Thursday of the month we have a street fest. We have the famous Frog Bridge. We have good jobs. We have good food (restaurants). We also have ECSU. We have a public library. We have a great street called Main Street. We have nice houses. Windham cares for hard working people. We also have good education. There is also places to see. Windham is a unique town. Windham has the tread mill. Every 4<sup>th</sup> of July we have an exciting event called the Boom Box Parade. I love the town of Windham. It is my home.
